criticism of la regenta has until recently focused on the text s plot as an extraordinarily coherent and convincing fictional world stephanie a sieburth demonstrates that the devices which produce order in the text are counterbalanced by an equally strong tendency toward entropy of meaning the narrator is shown to be duplicitous and unreliable in his judgments on characters and events without an omniscient narrator readers must interpret for themselves the complex intertextual structure of the novel saints lives honor plays and serial novels each provide partial reflections of ana ozores story the text becomes a collage of mutually reflecting segments which like ana in her moments of self doubt and madness ultimately question the function of language and of any overriding interpretation or meaning

no sooner had chris stewart set eyes on el valero than he handed over a check now all he had to do was explain to ana his wife that they were the proud owners of an isolated sheep farm in the alpujarra mountains in southern spain that was the easy part lush with olive lemon and almond groves the farm lacks a few essentials running water electricity an access road and then there s the problem of rapacious pedro romero the previous owner who refuses to leave a perpetual optimist whose skill as a sheepshearer provides an ideal entrée into his new community stewart also possesses an unflappable spirit that we soon learn nothing can diminish wholly enchanted by the rugged terrain of the hillside and the people they meet along the way among them farmers including the ever resourceful domingo other expatriates and artists chris and ana stewart build an enviable life complete with a child and dogs in a country far from home
